The DELF/DALF sessions have national schedules for written exams. Candidates must arrive on time; otherwise, their access to the exam room will be denied.

The oral expression exam will take place in a room. The candidate will sit alone in the room, and the jury will conduct the examination online. We will try, where possible, to organize the oral exams on the same date as the written exam. However, please keep in mind that this is not always possible since the schedules are established according to the jury members' availability. Registered candidates will receive their oral exam schedule by email, and changes are not possible.

**Information:**

All the personal belongings must be stored in a designated area, and the candidates are only allowed to bring their blue or black-inked pen.

Candidates can bring a bottle of water.
